Do you have information about crime happening in this area? Crimestoppers is an independent charity which promises you will be 100% anonymous. Always .

Whoever you are, wherever you live, from communities to companies. By phone and online, 24/7, 365 days a year. We also share advice on how to protect the people you care about from crime, so everyone can feel safe. After receiving your call or a completed anonymous online form, we create a report that brings together all the information you gave us, making sure it doesn't contain any information that could identify you. Your report is sent to the relevant authority with the legal responsibility to investigate crimes, make arrests and charge people in order to bring them to justice. This could be your local police force or an agency such as the UK Border Agency or HM Revenue & Customs.

Our research confirms that nearly a fifth of the public have known about a crime, but chose not to talk to the police for many reasons. Hundreds of thousands of people contact us every year secure in the knowledge that they will remain anonymous. Call us on freephone 0800 555 111 or go online via our website www.crimestoppers-uk.org to give us your crime information 100% anonymously. Always.
