

# Liskeard Sector Neighbourhood Policing Teams Newsletter

May 2025

**Liskeard and Looe Neighbourhood Teams were at Mole Valley Farmers** Liskeard interacting with customers.

A number of queries were answered and numerous people signed up to Devon and Cornwall Alert.

Thank you to all at Mole Valley who allowed us to take up space in your venue so we could speak with people.

**What a fantastic day at the May Fair! PC Pip and PC Martin spent the morning watching the youth parade and then walked round the stalls, the youth village and Longstone Park.** In the afternoon they were joined by Inspector Ned and Sgt Gary. The May Fair truly is a celebration of what makes Saltash such a wonderful place. Thank you to Saltash Town Council, the organising committee, all of the groups and volunteers and ambassadors. We really appreciate all of the hard work you put in to make the event happen.

**PCSO Steve Edser and Civil Enforcement Officer Joe Lewis** conducted a patrol outside St Cleer Primary Academy. This is one of many joint patrols designed to deal with people parking illegally by a number of Liskeard Schools and to educate drivers on their standards of driving and speed. Primary target is to safeguard pupils attending and leaving school premises .

**Massive thanks to PCSO's Bex and Steve** for welcoming us at [Liskeard Police](#) station, where we learnt loads about what they do to keep us all safe. They were kind enough to let us look around their vehicles, the station, and they helped us make our very own fingerprint keyrings!! We had a fantastic time, and we will all make sure we remember to smile and wave at you all when we see you out and about in our community!

**The National Cyber Security Centre (NCSC) has issued a critical warning following a wave of cyber-attacks on major UK retailers.**

Following this warning, Devon and Cornwall Police are issuing this message to all Businesses, Charities and other organisations, in order to raise awareness and encourage immediate action.

We recommend the following steps:

## Commemorating the 80th anniversary of VE day.

Dear all,

Torpoint police remembers

Thursday 8 May 2025 marks the 80th anniversary of VE Day, commemorating the end of World War II in Europe.

As we celebrate VE Day, we honour all those who have served and serve in our armed forces.

This day is an opportunity to reflect on the selfless dedication of those who fought for peace during some of the world's darkest hours. We will never forget the sacrifice of our servicemen and women.

Two minutes' silence will be held at 12pm on Thursday 8 May to remember all those who have lost their lives whilst serving their country.

## Getting in touch.

We're always here if you need us – but if it's not an emergency (i.e. a crime isn't happening right now and no-one is in immediate danger) then reporting online will save you time and means we have all the information we need to respond appropriately.

Scan the QR code below to take you to our website home page and choose one of the blue boxes to find the form that's right for you.

There are situations which look like they should be police matters, but which are actually dealt with by other agencies, such as noisy neighbours, dog fouling, fly tipping and more. To avoid delays, always visit our website first to see if this is an issue which is more appropriately dealt with by another agency.
