Keeping your garden secure

As the clocks change and the weather hopefully warms up, many of us are looking forward to spending more time in our gardens. Now is a good time to think about

shed security and how you can keep your belongings safe. Protecting your garden and outbuildings not only keeps your valuables safe but can also stop burglars accessing tools to get break into your home.

Prevention

- 1) Keep hedges and walls at the front of your house low (under one metre) so burglars have nowhere to hide.
- 2) Lock side gates always
- 3) Consider spiky, defensive planting and keep hedges, walls and fences around your back garden high (over 1.8 metres).
- 4) Gravel driveways and paths make it harder for burglars to go undetected, due to the noise caused when someone walks on them.
- 5) Install an outside security light so intruders cannot approach without being seen and consider fitting a burglar alarm system.

Spring travel advice

The upcoming Easter holidays, May half term, and two Bank Holiday weekends will bring extra visitors to Devon & Cornwall. This means there may be extra traffic on the roads and potential hold ups across our beautiful counties. The force will be doing its best to police Bank Holiday hotspots and make sure motorists have a smooth journey on their way to the beaches.

Top tips to help with your drive include:

- Checking over your vehicle (e.g. checking tyre pressures and making sure you have enough fuel, oil and water.
- Choosing quieter times on the roads if possible and checking forecasts so you are aware of adverse weather which may hamper your journey.
- Be prepared in case you do break down – have refreshments and appropriate clothing in your vehicle and keep your mobile phone charged.
- Never leave children or dogs in a vehicle in warm weather. Even if you're only gone for a couple of minutes and leave a window open, the rising temperature within a vehicle can lead to serious, or fatal consequences.
- Be patient and considerate to other drivers, and remember it is always best to allow extra time.
- If you are towing a caravan, please make sure you know the rules...

Property marking

With the weather brightening up and more opportunities for you to use bikes and other high value equipment, consider marking your property and recording your items on <https://www.immobilise.com/>. Remember, you can mark electrical items, bikes, and items such as antiques. If you'd like help marking your property, please contact your local station.

Considering livestock when dog walking

When walking through our beautiful countryside with your dog, please be cautious of livestock, especially now that lambing season is underway. Make sure your dog is always on a lead.

Livestock worrying is a crime and can cause devastating consequences for livestock and farmers. If you witness a dog acting out of control or attacking livestock, please phone 999 to report it.

Protect yourself from rogue traders

Now the warmer weather is approaching, you may consider improvements to your house and garden. Be cautious of rogue traders who may knock on your door and offer to do work to your home or garden. Things to look out for include:

- Being offered a very cheap price
- Being rushed into making a decision

Remember to ask for identification and understand the terms and conditions of the work. If you notice anything suspicious, report your concerns to 101 or call 999 if you feel like you are in danger.

There are situations which seem like they should be police matters, but which are dealt with by other agencies, such as noisy neighbours, dog fouling, fly tipping and more.

To avoid delays, always visit our website first to see if this is an issue which is more appropriately dealt with by another agency.

Local issues

Anti-Social Behaviour

We have addressed these by:

- Conducting regular patrols in and around the surrounding areas reported.
- Setting up “meet the police” surgeries to allow residents to come along and speak with us about any concerns or queries they may have.
- Issuing words of advice to those causing any anti-social behaviour and escalating if required.
- Issuing advice to any businesses suffering with anti-social behaviour and assisting where possible.

Drugs

People gathering in public is not an offence. However, if drugs are involved, this can sometimes lead to disruptive noise. This can then escalate into aggressive, violent or lewd behaviour, such as intimidation or verbal abuse of passer-s by, fighting or urinating in public. All of which are offences.

If you are aware of any drug activity within your area, please report it via our 101 system. You will remain anonymous whether you do so by email or phone.

Please do not approach anyone you believe is under the influence of drugs and please call 999 if you are experiencing any threat, harm or distress.
